Forwd herewith the D.C.'s Statement of taxes in the melas of Kadur Dist for the quarter ended 31/12/41

1) It is seen that there is a slight fall in the toll income of the several melas in the Dist for the quarter as compared with the corresponding period in the previous year.

2) Under assessed taxes, the collection is Rs 3,538-4-8 out of a total demand of Rs 56,258/- The average collection is only about 5% of the demand and it is generally very unsatisfactory in all the melas It is especially noticeable in the Tarikere Town Mela where there is a Chief Office The collection is only about 1.9% to the demand

3) Even under Miscellaneous taxes, there are very heavy arrears to be collected

4) The D.C. states that instructions have been issued to the Presidents of the respective Mel Councils to show better progress in the next coming quarters, failing which their personal responsibility would be enforced according to the standing orders

---

The statement relating to the Narasimharajapura Minor Municipality was received in this office on 18th April 1942 long after the due date and after the issue of a telegpaphic reminder This is not satisfactory The President should see that such undue delay is avoided in future

ASSESSED TAXES, The total demand for the quarter under assessed taxes was Rs 81,129-8-1 in respect of all the Municipalities of which a sum of Rs 18,148-10-5 was collected and a sum of Rs 150-0-0 remitted The percentage of collection to the demand in respect of the various Municipalities is as follows -
